This policy describes your cover during the period of insurance you have paid for, or have agreed to pay for, and for which the Insurer has accepted the premium.

The contract is based on information provided by you in a signed proposal form or verbally and confirmed in a statement of fact. For the contract to be valid, all the information you give to the Insurer must be true and complete. The proposal form and/or statement of fact are also part of the contract.

The contract also includes this policy, the policy schedule and any endorsements shown in the policy schedule. These documents and your Certificate of Motor Insurance should be read as one document. Please read them to ensure that they meet your needs. Certain terms are defined in the General Definitions section below and these apply throughout this policy. The Insurer will insure you against legal liability, loss or damage under the sections shown in the schedule during any period of insurance set out in the schedule. You must keep to the conditions of this policy.

## Choice of law

The laws of England and Wales govern your Policy, unless you and the Insurer agree otherwise and the agreement has been put in writing by the Insurer.

## Use of Language

Unless otherwise agreed, the contractual terms and conditions and other information relating to this contract will be in English.

## Several Liability

The subscribing Insurers' obligations under contracts or insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. # Important Information

## Introduction

This policy is administered by Moorhouse Xbroker and is underwritten by the Insurer.

## Contract (Rights of Third Parties) Act 1999

This policy is a contract between you and the Insurer. Nobody else has any rights they can enforce under this contract except those rights they have by law. It is not intended that the Contracts (Rights of Third Parties) Act 1999 should confer any additional rights under this policy in favour of any third party.

## Data Protection Act

Any information provided to the Insurer regarding you, any insured person or any person covered by this policy will be processed by the Insurer, in compliance with the provisions of the Data Protection Act 1998, for the purpose of providing insurance and handling claims, if any. This may necessitate providing such information to third parties.

## Your Responsibility to the Insurer

Please read your policy, schedule, any endorsements and Certificate of Motor Insurance carefully and make sure that they meet your needs. You must tell the Insurer about any changes that affect your policy and which have occurred either since the policy started or since the last renewal date. If you are not sure whether certain facts are relevant, please ask Moorhouse Xbroker or the intermediary who arranged your policy. If you do not tell the Insurer about relevant changes, your policy may not be valid, or your policy may not fully cover you. Please keep this policy, schedule and any endorsements and Certificate of Motor Insurance in a safe place as you may need to refer to them if you make a claim.

## Motor Insurance Database

Information relating to your policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies

permitted by law for purposes not limited to but including :

1. Electronic Licensing
2. Continuous Insurance Enforcement
3. Law enforcement (prevention, detection, apprehension and or prosecution of offenders)
4. The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the United Kingdom, the EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information.

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having the insured vehicle seized by the Police. You can check that your correct registration number details are shown on the MID at [www.askmid.com](http://www.askmid.com)

## **Detecting and Preventing Fraud and Confirming Claims History**

In order to keep premiums as low as possible for all their customers, the Insurer participates in a number of industry initiatives to aid the prevention and detection of crime, especially insurance related fraud. When you tell the Insurer about any claim, the details you have provided, including personal details, will be passed to the various registers and databases that are used by companies within the Insurer's group (if any), companies providing services to the Insurer, other insurers and other fraud and associated agencies. In addition, the Insurer may search these registers and databases when you make a claim, to validate your claims history or that of any other person or property likely to be involved in the claim. If you give the Insurer false or inaccurate information and/or make or attempt to make a fraudulent claim, this information will be recorded on the registers.

The Insurer and other organisations may also use and search these agencies and databases to help make decisions about the provision and administration of insurance, credit and related services for you and members of your household, trace debtors or beneficiaries, recover debt, prevent fraud and to manage your accounts or insurance policies, check your identity to prevent money laundering, unless you furnish the Insurer with other satisfactory proof of identity, and undertake credit searches and additional fraud searches.

3. at your request, any other country in respect of which the Insurer agrees to provide cover but only for the period agreed by the Insurer and provided an International Motor Certificate (Green Card) is issued by the Insurer.

The level of cover provided will be the minimum needed to keep to the laws on the compulsory insurance of motor vehicles of the country in which the accident happens. It will not be the same level of cover you receive when driving within the territorial limits under this policy. Where the level of cover in any European Union Member State is less than that provided by the legal minimum requirements of United Kingdom, the level of cover that applies in United Kingdom will apply in that Member State.

The Insurer can extend your policy, at your request, to provide the same level of cover in the rest of the European Union and certain other European countries as you have within the territorial limits. To get this cover you must contact Moorhouse Xbroker or the intermediary who arranged your policy with details of the trip. Moorhouse Xbroker will (where appropriate) give you an International Motor Certificate (Green Card) and tell you the extra premium you will have to pay.

The maximum amount the Insurer will pay for any one claim is GBP 100. You can only make a claim under this Optional Cover when also claiming under Section 1.

#### 2. Credit Card Details

The Insurer will require your credit card details if the Insurer arranges a service for you which is not covered by this Part of your policy or if it exceeds the policy limits set out in this document. If you do not provide the Insurer with your credit card details the Insurer will not be able to provide certain services which will be notified to you when credit card details are requested.

#### 3. Caravans and Trailers

The insured vehicle restrictions in this Part of your policy apply equally to caravans and trailers except that the maximum length of trailers and/or caravans must not exceed 7.6 metres. If the insured vehicle which has suffered a breakdown is towing a caravan or trailer and the Insurer provides recovery, the caravan or trailer will be recovered together with the insured vehicle to a single destination within 10 miles of the scene of the breakdown. Other than as set out in this paragraph caravans and trailers are not covered by this section of your policy. The Insurer will do their best to find solutions to motoring problems, but the Insurer regrets that they cannot arrange a replacement caravan or trailer in the event of breakdown or Accident age which cannot be repaired.

## Part C – Breakdown Cover

### 4. Unforeseeable losses or events

Except in relation to any claim you may have for death or personal injury, if the Insurer is in breach of the arrangements under this contract, the Insurer will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

The Insurer do not guarantee the provision of any of the benefits under this Part of your policy, if there is anything beyond its reasonable control or the reasonable control of any service provider which prevents the Insurer or a service provider from providing that benefit. Benefits may be refused if you or anyone travelling with you in the insured vehicle behaves in a threatening or abusive way to any persons providing service under your policy.

### 5. Taxi Bookings

In some circumstances it can be quicker and easier for you to arrange a taxi. The Insurer may ask you to make your own arrangements for taxi service. If so please send your receipts to the Insurer and they will reimburse you.

### 6. Service Providers

The garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose services are arranged by the Insurer on your behalf and/or paid for under this Part of your policy by the Insurer on your behalf are not approved by the Insurer. They are not agents of the Insurer and the Insurer cannot be held liable for acts or omissions of such garages or other third parties. You are responsible for authorising repairs and making sure any repairs to the insured vehicle are carried out to your satisfaction.

### 7. Vehicle Condition

The insured vehicle must be roadworthy and in good mechanical condition when you apply for cover and you must keep it in that condition.
